**RISK WARNING**

Trading in Contracts for Difference ('CFDs') carries a high level of risk and can result in the loss of all your investment. As such, CFDs may not be appropriate for all investors. You should not invest money that you cannot afford to lose. Before deciding to trade, you should become aware of all the risks associated with CFD trading and seek advice from an independent and suitably licensed financial advisor. Under no circumstances shall we have any liability to any person or entity for (a) any loss or damage in whole or part caused by, resulting from, or relating to any transactions related to CFDs or (b) any direct, indirect, special, consequential or incidental damages whatsoever. For more information about the risks associated with trading CFDs please find and read our '[General Risk Disclosure](#)'. CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. 67% of retail investor accounts lose money when trading CFDs with this provider. You should consider whether you understand how CFDs work and whether
